

DEVELOPING DATA-SAVVY FUTURE LEADERS

Easy-to-use, multi-disciplinary data and mapping tool for academic institutions.

Research-Ready Data, Interdisciplinary Applications

Bring sophisticated data, mapping, and analytics to fields beyond traditional GIS and planning departments. Explore a wide array of neighborhood-level data on PolicyMap, ranging from social determinants of health, food and nutrition access, school performance, home sales, transit access, family composition, and much more. Use it for coursework and research related to:

- Business
- Climate and Environmental Studies
- Economics
- Education
- Geography
- Law
- Nursing
- Political Science
- Psychology
- Public Health
- Public Policy
- Real Estate
- Social Sociology
- Social Work
- Urban Planning
- and more!

Simple, Secure Access Through Your University Library

Accessing PolicyMap has never been easier! Whether your institution uses OpenAthens, ADSF, Okta, or native SAML 2.0, our platform seamlessly integrates with Single Sign-On (SSO) tools. As a member of the OpenAthens Federation, PolicyMap offers seamless access to powerful data and mapping capabilities—no login required. Library users can also create individual accounts to save their work.

Call or email us for more information.

sales@policymap.com | 1-866-923-6277 (MAPS)

POLICYMAP is a woman-led small business empowering organizations with unparalleled access to comprehensive mapping and data analytics tools. Our services are built for non-GIS professionals, data-literate researchers, and everyone in between.
